

VIÑA PATRICIA MALBEC

At Gaucho we love Malbec so much that in 2007 we purchased our own vineyard. Tucked away by the Rio Mendoza, amidst old vines and many small, old wineries, lies the district of Lunlunta, Mendoza. Our vineyard is typical of this region, being planted in 1929, complemented by with old olive trees. Viña Patricia is made by our friend Mauricio Lorca.

VIÑA PATRICIA , Lunlunta, Mendoza 2014	£55.00
VIÑA PATRICIA , Lunlunta, Mendoza 2008	£70.00

When the vintage permits, we take a small selection of the best barrels and make this blend, d'Oro, meaning gold.

D'ORO VIÑA PATRICIA , Lunlunta, Mendoza 2014	£75.00
D'ORO VIÑA PATRICIA , Lunlunta, Mendoza 2008	£95.00

Argentina is one of the most remarkable wine producing countries in the world. Spanning over 2.000km along the Andes from north to south and with altitudes ranging from 250 to over 3,100 metres above sea level, the country plays host to a multitude of climates and terroirs. Many of our wines are from small producers with whom we have developed close relationships over the years. Our staff are trained to be very knowledgeable about different wines and will be delighted to help guide you through the wonderful variety we offer. Since Argentina is so far away and we cannot always predict when new shipments may arrive, please be aware that some vintages may vary from those printed on the list.
